
WORDS AND PHRASES IN QUOTATION MARKS HAVE SPECIAL MEANING AS DEFINED IN CLAUSE 18

1. INDEMNITY AGREEMENT

In the event that any of the insured property is lost or damaged during the policy period by an insured peril, the Insurer will indemnify the Insured against the direct loss or damage so caused to an amount not exceeding whichever is the least of:

- (a) the value of the lost or damaged property as determined in Clause 15;
- (b) the interest of the Insured in the property;

This form insures those of the following items for which an amount of insurance is specified on the "Declarations Page" and only while at the "premises":

"Building"

3. DEDUCTIBLE

The Insurer is liable for the amount by which the loss or damage caused by an insured peril exceeds the amount of the deductible specified on the "Declarations Page" in any one occurrence.

Should any occurrence give rise to the application of more than one deductible amount for any one "premises", only the highest deductible will be applied, unless applying more than one deductible benefits the insured.

4. CO-INSURANCE

This clause applies separately to each item for which a co-insurance percentage is specified on the "Declarations Page" and only where the amount of loss or damage exceeds \$15,000.

The Insured shall maintain insurance concurrent with this form on the insured property to the extent of at least the amount produced by multiplying the value of the property as determined in Clause 15 by the co-insurance percentage specified on the "Declarations Page". If the Insured fails to do so, the Insured shall be entitled to recover only that portion of any loss that the amount of insurance in force at the time of loss bears to the amount of insurance required to be maintained by this clause.

This form, except as otherwise provided, insures against all risks of direct physical loss of or damage to the insured property.

- (b) (i) **Debris Removal:** The Insurer will indemnify the Insured for expenses incurred in the removal from the "premises" of debris of the insured property, occasioned by loss of or damage to such property, for which loss or damage insurance is afforded under this form.

The amount payable under this extension shall not exceed 25% of the sum of:

Loss under any item of this form shall not reduce the applicable amount of insurance.

11. SUBROGATION

The Insurer, upon making any payment or assuming liability for payment under this form, shall be subrogated to all rights of recovery of the Insured against others and may bring action to enforce such rights. All rights of subrogation are waived against any corporation, firm, individual or other interest with respect to which insurance is provided by this policy.

Where the net amount recovered, after deducting the costs of recovery, is not sufficient to provide a complete indemnity for the loss or damage suffered, that amount shall be divided between the Insurer and the Insured in the proportion in which the loss or damage has been borne by them respectively.

Any release from liability entered into by the Insured prior to loss shall not affect the right of the Insured to recover.

If the premium paid by the Insured for such "stock" exceeds the actual premium thus calculated, the Insurer shall refund to the Insured any excess paid, subject to a maximum refund of 50% of the premium paid. In the event of any monthly declared values being in excess of the amount of insurance, the amount of the excess shall not be included in the premium adjustment calculations.

14. VERIFICATION OF VALUES

The Insurer or its duly appointed representative shall be permitted at all reasonable times during the policy period, or within a year after termination or expiration, to inspect the insured property and to examine the Insured's books, records and such policies as relate to any insured property. - (b) sold "stock": the selling price after allowance for discounts;
- (c) the property of others in the custody or control of the Insured for the purpose of performing work upon it: the amount for which the Insured is liable, but not exceeding the actual cash value at the time and place of loss or damage plus allowance for labour and materials expended to such time;

- (i) if repaired or replaced with due diligence and dispatch, the amount actually and necessarily expended, but not exceeding the actual cash value of the tenant's improvements at the time and place of loss or damage;
 - (ii) if not repaired or replaced with due diligence and dispatch, that portion of the original cost of the lost or damaged tenant's improvements which the unexpired term of the lease at the time of loss or damage bears to the period(s) from the date(s) such tenant's improvements were made to the expiration date of the lease;
- (e) business records, including those which exist on electronic or magnetic media (other than pre-packaged software programs):
- (i) the cost of blank materials for reproducing the records; and
 - (ii) the costs of labour to transcribe or copy the records when there is a duplicate.
- (f) all other insured property under this form and for which no more specific conditions have been set out: the actual cash value at the time and place of loss or damage, but not exceeding what it would then cost to repair or replace with material of like kind and quality.

Actual Cash Value: Various factors shall be considered in the determination of actual cash value. The factors to be considered shall include, but not be limited to, replacement cost less any depreciation and market value. In determining depreciation, consideration shall be given to the condition of the property immediately before the damage, the resale value, the normal life expectancy of the property and obsolescence.

16. PROPERTY OF OTHERS

At the option of the Insurer, any loss may be paid to the Insured or adjusted with and paid to the customer or the owner of the property.

17. LIBERALISATION

If, during the policy period, the Insurer introduces any broadening of its standard coverage for this rider without an increase in rates, the broadened coverage shall also apply to the Insured's coverage from the introduction date of the broadened coverage.
